

# JUAN DIEGO GONZALES

Business and full-stack engineer. I love to just start building things.

[jd@juandiego.co](mailto:jd@juandiego.co)

+51 944 246 214

Lima, Perú

## WORK

### Head of Data & Analytics • Mambo • Oct. 2017 — Present

At Mambo innovation is not a hobby. We take a rigorous approach with partners like Sura, P&G and Scotiabank all across Latin America.

### IoT Specialist • Banco de Crédito BCP • Apr. 2017 — Oct. 2017

BCP is the largest bank in Peru. I worked at BCP's Big Data Center of Excellence.

- Lead technically a confidential IoT project that was beta-tested on 3 branches.
- Presented at a Digitalk. A live-streamed event with more than 10,000 viewers.

### Intelligent Devices (IoT) Intern • ABB, Germany • Aug. 2016 — Feb. 2016

ABB is a global leader in automation and power technologies.

- Designed and developed 3 IoT demos that were presented to the Business unit.
- Worked in a technical environment with state of the art full-stack technologies.
